Why not make an appointment to visit the Kingfisher Showroom at our Head Office in Nottingham?

On arrival you will be greeted by our friendly sales team who will serve you refreshments before giving you a VIP tour of the showroom, where you will be able to sample over 2000 Kingfisher products from the current range and future lines.

Open Weeks 2014/15

We currently hold 2 Open Weeks per year – one in February to coincide with the NEC Spring Fair, and one in September to coincide with GLEE and the Autumn Fair.

As well as a friendly welcome and personal tour of the showroom, Open Week visitors are given the opportunity to take advantage of many special offers, including 'one off' show-only special products, spectacular price cuts on certain lines, and extra discount off all orders placed during the Open Week.

Visitors to our most recent Open Week in September 2014 were the first to see the brand new Direct Shipment Showroom, with over 100 items available to purchase on direct container, including outdoor furniture and gardening items.

We are already planning our Spring Fair Open Week which will take place from 29th Jan - 8th Feb 2015

To book your appointment at the showroom, or to reserve your place at the next Kingfisher Open Week, please email ruth@bonningtonplastics.com or call Head Office on 0115 985 4119.

Christmas Showroom

The Kingfisher Christmas range is a market leader, and during your visit to our Showroom, you are invited to step inside Santa's Grotto to experience our festive products at their best. With a vast array of Christmas trees, decorations, lights and indoor and outdoor decorations, there is everything you need to maximise sales during the busiest retail months of the year.

Each year we offer an 'early bird' discount for pre-ordering your Christmas products. By ordering your Christmas items in advance, not only do you secure your stock, but you also save up to 25% off catalogue price, and don't have to pay until they are ready to be delivered. Extended credit is also available subject to account status.

We will be exhibiting at the Harrogate Christmas and Gift Fair, 11th - 14th January 2014, so why not pop by and visit our stand?
